

How to Show Your Home...

OUTSIDE: Trim all shrubs. Pull all weeds. Water the lawn to keep it green. Pick up implements, materials and debris that are not part of the lawn décor. Garage should be swept, neat and tidy. Consider hiring a gardener for a one-time cleanup to give it that polished look.

LIGHTING: Open all shades and draperies during the daylight hours. Replace all burned out light bulbs with the maximum light producing bulbs. Turn on all lights throughout the house prior to showing the house.

STORAGE: All clothing, shoes, hats, accessories, tools, papers, magazines, books and personal items not contributing to the décor of the room should be stored in closets or dressers. Kitchen counters should be clean and free of any articles not contributing to the décor of the room. All magazines, books, ashtrays, food, bottles, containers, boxes, cans, toys, hobby accessories, tools, dishes, cookware, etc. should be stored in the proper cupboards, closets or storage areas.

CLOSETS: The interiors of all closets should present an organized, tidy and uncluttered appearance. All unneeded or unused items should be discarded. Display your storage and utility space by removing all unnecessary accumulations in attic, stairways, closets and garage.

WINDOWS: all windows should be spotlessly clean inside and out. All windowsills should be spotlessly clean and free of any flaking or loose paint. All windows should be in good repair with no cracks. Screens should be clean and in good condition, free of rust and holes. Any paint on glass should be removed with a razor blade prior to cleaning.

FIXTURES: all bathroom and kitchen fixtures and counters should be sparkling clean. Polish chrome faucets and handles in the tub and sinks. All sinks, tubs, toilets and counters should be clean.

FLOORS: All flooring should be clean and waxed if necessary. All carpeting should be very clean regardless of its age. If the carpeting has not been steam cleaned for more than two years, now is the time to do it.

DOORS: All doors should be free of scotch tape, posters, decals, or stickers. All door handles should be clean and in good repair.

CERAMIC TILE: All joints between tiles should be clean and white. Use DAP bathroom tile sealer to reseal the joint between bathtub and wall and floor.

WALLS: All walls should be clean and free of gouges, scratches, smudges, scotch tape, posters, thumbtacks, etc. Walls should only have decorative items. Posters and paper pictures taped to walls should be removed and all evidence of tape markings removed.
